Congress of the United States
House of Representatives
Washington, DC 20515

April 28, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the health clinic at the Family First Community Center in fiscal year 2022. The entity to receive funding for this project is HealthPoint, located in Renton, Washington.

The funding would be used to purchase capital equipment for the health clinic at the new Family First Community Center (FFCC). The full-service primary care clinic will include medical, behavioral health, and dental care. With HealthPoint's onsite full-service primary care clinic, participants in FFCC programming will benefit from seamless access to health care services whether their point of entry is through sports, recreation, STEM, or other programs taking place at the FFCC.

The co-location of the clinic with the FFCC will eliminate many of the transportation and financial barriers to accessing health care currently experienced by low-income families in the Cascade/Benson Hill community. By removing these barriers, residents will find it easier to access care and will be less likely to reschedule or miss appointments, delay care, or miss or delay medication use.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
