Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Arc Legacy Center in fiscal year 2024. The entity to receive funding for this project is The Arc -King County located at 660 SW 39th Street, Suite 205, Renton, WA 98057.

The funding would be used by The Arc – King County to acquire the ground floor space in a Mercy Housing development in SeaTac that will become the new Arc Legacy Center, a first of its kind project to merge the housing and support/care needs of the intellectual and development disabilities (IDD) community in a transit-oriented location in King County that enhances access to other services, schools, and jobs. The project is an appropriate use of taxpayer funds because it will promote housing stability within a highly disadvantaged community and empower individuals with IDD to be better connected to with vital services and supports that enable them to live independent lives.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and 5305(a)(2).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

Adam Smith
Member of Congress
