Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the McKinney Center Capital Project in fiscal year 2023. The entity to receive funding for this project is the Central District Community Preservation & Development Authority located at 1143 Martin Luther King Jr. Way #101 Seattle, WA 98122.

This funding will be used to support rehabilitation and capital improvements for the McKinney Center for Community & Economic Development, a multi-purpose facility that will serve as a hub for education, workforce training, business development, and other services for the African American community and other minority and underserved communities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Adam Smith", written over a horizontal line.
