March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Technology and Data Project to Benefit Survivors of Sexual Assault in fiscal year 2024. The entity to receive funding for this project is the King County Sexual Assault Resource Center located at 707 S Grady Way #300, Renton, WA 98057

The funding would be used by the King County Sexual Assault Resource Center (KCSARC) to overhaul, upgrade, and modernize their existing technology and information systems to better service victims and clients. The project is an appropriate use of taxpayer funds because updated technology and information systems will allow KCSARC to serve more victims, reduce barriers to victim access, increase efficiency in the agency's hybrid work environment, and decrease operational costs.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

Adam Smith
Member of Congress
