GRANT INFORMATION

As a Member of Congress, my staff and I may assist you with your search for funding from the federal government. This webpage will provide you with information regarding federal grants and other financial opportunities. The links on this webpage offer helpful information that will enable you with information and will guide you on writing grant proposals.

Please reach out to our Grants Coordinator, **Triniti Gorbunova**, for information about current funding opportunities.

If you would like a letter of support for your grants application, please complete our application online **here**.

If you have other requests, please submit your request online **here**.

Check out our previous grant workshops!
