EMERGENCY SOLUTIONS GRANTS PROGRAM

Overview

The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 amended to the McKinney-Vento Homeless Assistance Act, revised the Emergency Shelter Grants Program and renamed it to the Emergency Solutions Grants (ESG) program. The ESG Interim Rule took effect on January 4, 2012. The change in the program name reflects the change in focus from addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

The program provides funding to:

- Engage homeless individuals and families living on the street;

- Improve the number and quality of emergency shelters for homeless individuals and families;

- Help operate these shelters;

- Provide essential services to shelter residents;

- Rapidly re-house homeless individuals and families; and

- Prevent families and individuals from becoming homeless.

EMERGENCY HOUSING VOUCHERS

Overview

The Emergency Housing Voucher (EHV) program provides a significant opportunity for Public Housing Authorities (PHAs), Continuums of Care (CoCs), and Victim Service Providers (VSPs) to develop collaborative partnerships and strategies that effectively address the needs of vulnerable populations in their communities. Through EHV, HUD provided 70,000 housing choice vouchers to local PHAs in order to assist individuals and families who are homeless, at-risk of homelessness, fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability.

KING COUNTY, WASHINGTON

PARTNERSHIP SUCCESS STORY

OVERVIEW

The King County region, which includes Seattle as one of its 39 cities, is working hard to meet the needs of a large unsheltered homeless population and is finding success through federally funded Emergency Housing Vouchers (EHVs). In 2021, King County Housing Authority (KCHA) was awarded 762 EHVs and nearly $18.4 million in funding through the American Rescue Plan Act of 2021, to be implemented in partnership with the new King County Regional Homelessness Authority (KCRHA). Through thoughtful planning and collaboration with community partners, KCHA has leased 100% of these vouchers serving households experiencing or at risk of homelessness, survivors of domestic violence, dating violence, sexual assault, stalking, and human trafficking. KCHA and its partners attribute their success to a combination of intentional elements.

KEY PARTNERSHIP STRATEGIES

- *Inclusive & regional planning process* – KCHA partnered with King County Regional Homelessness Authority (KCRHA, the lead Continuum of Care entity), Seattle Housing Authority, and Renton Housing Authority to quickly implement a regional approach with the goal of distributing EHVs equitably and in a timely manner. The partnership set up weekly operational and leadership meetings to mobilize efforts and solicited input from expansion, KCRHA was able to increase equitable access to the EHV program by bringing on new providers working outside of existing systems who primarily served Black, Indigenous and People of color as well as underserved communities across the County.

- *Use of data to inform decision-making* – KCHA developed predictive dashboards to project the volume of referrals, voucher issuances and housing

EHV REGIONAL SUCCESS

The regional approach implemented among the three PHAs in the King County area has resulted in successful lease-ups across the area.

MAINSTREAM VOUCHERS

Mainstream vouchers assist non-elderly persons with disabilities. Aside from serving a special population, Mainstream vouchers are administered using the same rules as other housing choice vouchers. Funding and financial reporting for Mainstream vouchers is separate from the regular tenant-based voucher program. Please see PIH Notice 2020-01 for more information.

The 2017, 2018, and 2019 Appropriations Acts provided funded for new Mainstream vouchers. Since 2018, HUD has awarded over $500 million in funding to public housing agencies (PHAs) to support 50,000 new Mainstream vouchers.

Please direct questions about Mainstream vouchers to MainstreamVouchers@hud.gov.

NON-ELDERLY DISABLED (NED) VOUCHERS

Overview

Since 1997, Housing Choice Vouchers (HCVs) have been awarded under different special purpose voucher program types to serve non-elderly persons with disabilities (NED):

- **FY 2009 NED Category 1 and Category 2:** The Notice of Funding Availability (NOFA) for Rental Assistance for Non-Elderly Persons with Disabilities (NED) was published in the Federal Register on April 1, 2010 (NOFA). This NOFA was the outcome of collaborative efforts between HUD and the Department of Health and Human Services' (HHS) Centers for Medicare and Medicaid Services (CMS).
  - **Category 1** vouchers enable non-elderly persons or families with disabilities to access affordable housing on the private market. Awards for Category 1 vouchers were announced on October 1, 2010. 4,321 vouchers were awarded to 46 PHAs in 19 states, Washington, DC, and Puerto Rico. Category 1 Press Announcement with list of PHAs
  - **Category 2** vouchers enable non-elderly persons with disabilities currently residing in nursing homes or other healthcare institutions to transition into the community. Awards for Category 2 vouchers were announced on January 6, 2011 and became effective February 1, 2011. 948 vouchers were awarded to 28 PHAs in 15 states. Category 2 Press Announcement with list of PHAs

Foster Youth to Independence Initiative

The Foster Youth to Independence (FYI) initiative makes Housing Choice Voucher (HCV) assistance available to Public Housing Agencies (PHAs) in partnership with Public Child Welfare Agencies (PCWAs). Under FYI, PHAs provide housing assistance on behalf of: Youth at least 18 years and not more than 24 years of age who left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and are homeless or are at risk of becoming homeless at age 16 or older.

FYI Explainer Video

This 2D explainer video is designed to assist Public Housing Authority (PHA) staff in administering the Foster Youth to Independence (FYI) voucher program. The goal of the video is to enhance PHA staff's familiarity with the technical requirements of the program so as to better engage FYI-eligible youth and to ensure lease-up as well as longevity on, and/or completion of, the 36-month voucher. This video may be leveraged as a training tool in PHA staff meetings to raise awareness of FYI program requirements. Topics covered in the video include:

- Introduction to FYI
- Uplifting Youth Voice
- Collective Impact and Partners
- FYI Program Administration

For more information on the Collective Impact model, please refer to slide #7 of the FYI Initiative Webinar Series: Partnership Development and Maintenance.

Home > Programs > YHDP: Youth Homelessness Demonstration Program

Overview

The goal of YHDP is to support selected communities, including rural, suburban, and urban areas across the United States, in the development and implementation of a coordinated community approach to preventing and ending youth homelessness. Additionally, HUD is committed to sharing that experience of YHDP communities and mobilizing communities around the country toward the same end.

YOUTH HOMELESSNESS SYSTEM IMPROVEMENT (YHSI) GRANTS

Overview

HUD announced $51 million in funding for the Youth Homelessness System Improvement (YHSI) grants on June 6, 2024. YHSI grants will support selected communities in either improving an existing response system for youth homelessness or establishing and implementing a new youth homelessness response system. The grants will focus on systemic change by funding projects that create and build capacity for Youth Action Boards; collect and use data on at-risk youth and youth experiencing homelessness; develop strong leaders within a community; and improve the coordination, communication, operation, and administration of homeless assistance projects to better serve youth, including prevention and diversion strategies. these grants are designed to make and improve connections, coordination, and information sharing within and between systems that serve at-risk youth, including education, child welfare, and juvenile justice.

YHSI grants are being awarded to 38 communities across the United States including 26 states, Puerto Rico, and Guam. The YHSI grants will help these communities build a strong, resilient, and equitable homelessness response system that is less siloed and will break down barriers for youth in crisis. Recognizing that systemic change is often larger than one Continuum of Care, HUD incentivized statewide or cross-community project proposals to emphasize the need for coordination across communities.

A RENTAL ASSISTANCE PROGRAM FOR HOMELESS VETERANS

Are you a veteran looking for housing assistance? Contact a VA medical center near you and mention your interest in HUD-VASH, or find instructions for contacting the National Homeless Veteran Call Center here.

Are you a landlord interested in renting to veterans? Contact the local public housing authority to share information about upcoming unit vacancies. Find general resources for landlords participating in the HCV program here.

Overview

The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program combines HUD's Housing Choice Voucher (HCV) rental assistance for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs (VA). VA provides these services for participating Veterans at VA medical centers (VAMCs), community-based outreach clinics (CBOCs), through VA contractors, or through other VA designated entities.

Supportive Services for Veteran Families

For very low-income Veterans, SSVF provides case management and supportive services to prevent the imminent loss of a Veteran's home or identify a new, more suitable housing situation for the individual and his or her family; or to rapidly re-house Veterans and their families who are homeless and might remain homeless without this assistance.

HUD 811 Rental Assistance

The HUD 811 Project Rental Assistance grant was awarded to Commerce by the Office of Housing and Urban Development (HUD). This grant will provide project-based rental assistance to develop supportive housing for extremely low-income, non-elderly disabled households. The program's mission is consistent with the guiding principles of the Americans with Disabilities Act and with the 1999 U.S. Supreme Court ruling in Olmstead v. L.C., which requires state and local governments to provide services to individuals with disabilities in the most integrated setting appropriate to their needs. The Department of Social and Health Services is partnering with Commerce to provide and coordinate services.

This webinar discusses the ways that the Section 811 Project Rental Assistance (PRA) Program can leverage mainstream affordable housing resources, Medicaid services, and other community-based supportive service resources to ensure that extremely low-income persons with disabilities are able to access the housing and services they need to live as independently as possible within integrated community-based settings. This webinar assists directors and staff of state housing agencies, state Medicaid agencies, and state health and human services agencies in understanding the benefits and opportunities that can be accessed by applying for and implementing 811 PRA programs in their states.

Objectives

- Understand the benefits and opportunities of applying for and implementing an 811 PRA program
- Learn how to leverage 811 PRA to build and strengthen partnerships between state housing or other appropriate housing agencies; and state health and human service/Medicaid agencies

Audience

This webinar is intended for state housing agency staff, state Medicaid agency staff, state health and human services agency staff; particularly those in states without 811 PRA programs. State and local stakeholders dedicated to the expansion of housing and service opportunities for extremely low-income persons with disabilities are also welcome.
