Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the SeaTac Airport Station Area Pedestrian Improvements Project in fiscal year 2026. The entity to receive funding for this project is the City of SeaTac located at 4800 South 188th Street, SeaTac, WA 98188.

This funding would be used by the City of SeaTac to construct a pedestrian and several multimodal improvements along 6,900 lineal ft (1.3 miles) of sidewalk and bicycle facilities near the Seattle-Tacoma International Airport and nearby schools. The project is an appropriate use of taxpayer funds because it would create safe, multi modal frontage improvements supporting the safe movement of residents and visitors accessing mass transit, the airport, schools and other important facilities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

Adam Smith  
Member of Congress
