March 18, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Little Saigon Safety Team in fiscal year 2027. The entity to receive funding for this project is the Seattle Police Department located at 810 Virginia St, Seattle, WA 98101.

This project is focused on public safety and crime prevention and will address open narcotics activity, overdoses, and associated crime and disorder through coordinated and comprehensive street outreach, place-based crime prevention, and positive activations. The project is an appropriate use of taxpayer funds because it will increase overall safety in a popular historic area of Seattle's Chinatown International District by reducing open narcotics activity, overdoses, and associated crime and disorder through coordinated and comprehensive street outreach, place-based crime prevention, and positive activations.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor anyone in my immediate family has any financial interest in this project.

Sincerely,

Adam Smith
Member of Congress
